

## Run for Team Kidscan

### Conditions of Entry Great Manchester Run 2022

- By purchasing a charity place in the Great Manchester Run with Kidscan, you are agreeing to run on behalf of Kidscan Children's Cancer Research exclusively.
- You are also agreeing to raise the minimum sponsorship amount listed. For the **Great Manchester Run 10k** the fundraising target is £200 and for the **Great Manchester Run Half Marathon** the fundraising target is £250
- Kidscan purchases tickets from run organisers, at a higher cost than sold to our supporters. Therefore, before issuing run tokens we ask that you raise £100 to cover costs incurred by the charity before a run token is issued.
- We ask that you create a fundraising page so that your sponsorship will come directly to Kidscan. Our preferred online donation platform is Enthuse. You will be prompted to setup your page when purchasing your ticket. If using an online sponsor page in conjunction with personalised offline sponsor forms, please make sure you have sent the balance of your offline sponsorship to Kidscan no later than 6 weeks after the date of the event.
- Should you have to withdraw or defer your place, there will be no refund payable to you of your entry fee or sponsorship monies, as your sponsorship was raised for charitable purposes. You will also be responsible for covering any cancellation charge borne by the charity. All offline sponsor forms and monies should be forwarded to Kidscan or returned to the sponsors directly.
- Should Kidscan need to cancel the event then a full refund of any entry fee paid will be available. We will work with you to refund any sponsorship money that has been taken. Should circumstances outside of Kidscans' control force the cancellation of an event, we will work on an individual event basis to come to a compromise as to entry fee refunds.
- You also understand that photographs and videos may be taken of you during the event, which may be used to publicise future events and the work of the charity generally. By signing up to be part of Team Kidscan, you provide your authority for Kidscan and the event organisers, should they differ from Kidscan, to use these images and or videos in any promotional material whether in hard copy or digital format.
- Your support is important to us and we would like to keep in touch with you. By providing your personal information you agree to us recording your details on our database and contacting you in relation to this event. Please make it clear your preferred method of contact upon sign up as per the conditions of our [privacy policy](#).
- Participation is at your own risk and whilst Kidscan will take appropriate measures to limit risks, as a charity we cannot accept liability for injuries and or any losses caused. We would ask that if you have any concerns in relation to your capacity to do the event that you consult you GP prior to sign up or alternatively contact the Kidscan team prior to sign up.

### Declaration

Please complete and return this form by email to info at [info@kidscan.org.uk](mailto:info@kidscan.org.uk) or by post to: *Kidscan Children's Cancer Research, Alumni House, Acton Square, University of Salford, M5 4NY.*

I understand and agree to the above statements
